01 PROFESSIONAL PROFILE

Multi-disciplinary Graphic Designer and Art Director with 4+ years of hands-on expertise bridging visual brand identity with tactile production craft and behavioral marketing. Graduate of Haramaya University with a B.Sc. in Information Science. Currently serving as Printing Specialist at OLY Technology and former Marketing Manager & Co-Founder across Pixel Import & Export and Insta Printing. Obsessed with Swiss typographic precision, packaging dielines, consumer psychology, and scalable digital design systems.

02 WORK EXPERIENCE

Printing Specialist · OLY Technology — 2026 – Present
- Supervising tactile print production, color fidelity calibration, prepress dielines, and specialty substrates.
- Bridging strategic brand campaigns with precision commercial print machinery, apparel, and packaging.

Junior Marketing Manager · Bright Techno Tonic ® — Oct 2025 – Dec 2025
- Directed corporate visual identity collateral, marketing campaign roadmaps, and digital outreach funnels.

Co-Founder · Insta Printing — Jun 2024 – Aug 2025
- Co-founded and managed daily print workshop operations, ensuring high quality control and color fidelity.
- Delivered customized apparel branding, packaging boxes, and promotional print solutions for 15+ corporate clients.

Marketing Manager · Pixel Import & Export / Xshop — Aug 2022 – Jun 2024
- Directed national brand marketing strategy and expanded digital audience footprint across social and retail channels.
- Designed retail packaging systems, point-of-sale promotional graphics, and high-impact digital assets.

Assistant Marketing Manager & Technical Officer · Pixel Import & Export — Feb 2022 – Aug 2022
- Delivered client technical support, equipment training, and visual documentation that improved client retention.
